

Our Core Subject Learning Focuses

MATHS

THIS WEEK: We will be looking at multiples of 2, 4 and 8. Our targets are:

- I can explain what a multiple is and identify examples.
- I can apply my knowledge to problem solve.

ENGLISH

THIS WEEK: We will be continuing with the innovation phase of our story to entertain: *Monkey See, Monkey Do*. Our targets are:

- I can plan and begin to draft my own entertaining story.

IPC

THIS WEEK: We are learning more about our 'Footprints from the Past' topic. Our targets are:

- I can identify the features of a dinosaur.

SCIENCE

THIS WEEK: We will be experimenting and testing different soils. Our targets are:

- I can apply my Science skills, including observing and fair testing.

Classes 3DS and 3L will be visiting St. Mary's Church on Tuesday 14th March with Mrs. Harris. Please make sure you have handed in your child's permission slip if you wish for them to go.

Smoothie Bikes are coming to Pickhurst...look out for more information!

MONDAY – Homework due in

TUESDAY – PE kits, spelling test

– Church trip 3DS and 3L

WEDNESDAY – New homework set

Last week's **Year 3 Superstar Learners** were Joseph H. in 3DS for his brilliant effort and progress with reading comprehensions, Asia R. in 3C for her exceptional behaviour on the Church trip, Archie W. in 3F for his great effort in English and Amelie W. in 3L for working so hard in Maths.

Well done to those pupils who submitted a book review to Mrs. Carr for her Knights of the Reading Table project. She was highly impressed with the quality and the effort!

Thank you to Mrs. Harris for all of her hard work organising the Church trip – your efforts are greatly appreciated!
