

Our Core Subject Learning Focuses

MATHS

LAST WEEK: We learned all about multiples and corresponding division facts.

THIS WEEK: We will be learning about multiplication and division in the context of word problems. Our targets are:

- I can understand and solve 1 and 2 step word problems.

ENGLISH

LAST WEEK: We continued with the 'Innovation' phase of our writing, creating some great shared writing.

THIS WEEK: We will be moving into the 'Invention' phase, using our Warning story toolkits. Our targets are:

- I can edit and change a story, using the focus text as a framework.

IPC

LAST WEEK: Children created clay sculptures about 'Being Young'. It was very messy but lots of fun!

THIS WEEK: We will develop our DT skills. Our targets are:

- I can make usable plans.

SCIENCE

LAST WEEK: We recapped and revisited our learning of magnets and forces so far.

THIS WEEK: We will be continuing with magnets by researching William Gilbert and making our own compasses

- I can apply my knowledge of magnetism to a specific situation.

ICT

LAST WEEK: We looked at motion blocks and sequences.

THIS WEEK: We will be using Scratch programming. Our targets are:

- I can use and create backgrounds for a project on Scratch.

Next week is half term. School finishes at normal time (3.20pm) on Friday.

Parents Evening is coming up in November. Further information will be sent out soon.

MONDAY – Homework due in
TUESDAY – PE kits, spelling test
WEDNESDAY – New homework set
FRIDAY – Last day of this half term

Last week's **Year 3 Superstar Learners** were Ronit J. in 3DS for continuing his learning at home and writing a wonderful story, Sofia L. in 3D for her fantastic clay model, Reuben R. in 3L for having an excellent attitude to learning and Oliver W. in 3C for his enthusiasm during this week's Science lesson.

Thank you to all of the cloak room monitors in Year 3 who have worked very hard this week to tidy up coats and bags and try to reunite them with their owners!
