

Our Core Subject Learning Focuses

MATHS

THIS WEEK: We will be revisiting formal column methods to problem solve. Our targets are:

- I can add three-digit numbers using the formal written method of column addition.
- I can estimate and check the answer to a calculation.
- I can subtract three-digit numbers using the formal written method of column subtraction (decomposition).

ENGLISH

THIS WEEK: We will be discussing the structure of a portal story and imitating our focus text.

- I can write a description using descriptive language and new vocabulary.

IPC

THIS WEEK: We will be going on a virtual journey through the Amazon Rainforest!

- I can use information about the rainforest to create a quiz.

SCIENCE

THIS WEEK: We will be moving on to learn about other parts of plants. Our targets are:

- I can identify and discuss parts of a plant.

Tennis lessons continue. 3L and 3C are on Monday afternoons, and 3F and 3DS on Thursday afternoons. Pupils do not need to bring their own rackets.

Friday 23rd June will be an 'own clothes' day to raise money for victims of the tragic Grenfell Tower fire.

Friday is also 'Pickfest'! Bring your dancing shoes and Pimm's money...!

MONDAY – Homework due in
– 3L & 3C tennis

TUESDAY – PE kits, spelling test

WEDNESDAY – New homework set

THURSDAY – 3DS & 3F tennis

FRIDAY – 'Pickfest' (2.30pm start)
– Own clothes day - £1 donation

We are all really looking forward to our Summer celebration, 'Pickfest'. Parents/families are welcome on the playground for a 2.30pm start where each year group will perform. Pupils will then be dismissed as usual at 3.20pm and we can all head to the field for more fun!

Last week's **Year 3 Superstar Learners** were Ryan F. in 3DS for being an excellent, caring friend to others, Rocco G. in 3L for working hard on his friendship choices, Jenna F. for her great ideas during IPC discussions and Josh O. in 3C for producing a beautiful flow diagram about the journey of a cocoa bean.
