

Our Core Subject Learning Focuses

MATHS

THIS WEEK: We will be learning how to calculate the perimeter of shapes. Our targets are:

- I can measure and calculate the perimeter of a regular 2D shape to the nearest centimetre.
- I can use a ruler to draw shapes accurately, based on information about their perimeters.

ENGLISH

THIS WEEK: We will be entering the innovation stage of our story writing; thinking about our own characters, settings and plots. Our targets are:

- I can write a journey story, focusing on dialogue.

IPC

THIS WEEK: We will be learning about rainforest produce, how it gets to us and the concept of 'Fairtrade'. Our targets are:

- I can explain how rainforests have been affected by human activity.

SCIENCE

THIS WEEK: We will be continuing our learning about shadows. Our targets are:

- I can investigate the angles of shadows and how they are formed.

Hopefully you have all received your London Zoo trip letter. We would be grateful if slips/money could be sent back as soon as possible please to assist with the organisation of group numbers, volunteers, etc. Thank you.

Half term is nearly here – school finishes at normal time (15.20) on Friday.

MONDAY – Homework due in

TUESDAY – PE kits, spelling test.

WEDNESDAY – New homework set
– Forest School 3DS

THURSDAY – Forest School 3L

Last week's **Year 3 Superstar Learners** were Luke A. in 3DS for his brilliantly improved attitude, teamwork and helpfulness at Forest School, Frankie W. in 3L for his brilliant performance in his Maths test (we're proud of you!), Jennah F. in 3F for her perseverance in Maths and Olivia W. in 3C for her imaginative acrostic poem about E-Safety.

We have a collection of poorly people in Year 3 at the moment, with coughs, colds and headaches being the main culprits! We hope you all feel better in time to enjoy your half term!
