

### Our Core Subject Learning Focuses

#### MATHS

**THIS WEEK:** We will be looking at the formal method of column subtraction. Our targets are:

- I can subtract 3 digit numbers using a formal written method.

#### ENGLISH

**THIS WEEK:** We adapted our discussion focus text to link with our IPC topic: *Saving the World (Rainforests)*. This week, we will be creating a discussion text about whether cutting down the rainforest should be banned.

- I can use a toolkit to create an effective discussion text.
- I can express modality using key phrases, such as 'I strongly disagree that...'

#### IPC

**THIS WEEK:** We will be studying the artist movement of pointillism and using the technique to create our front covers!

- I can identify key artists and discuss their work.

#### SCIENCE

**THIS WEEK:** We are investigating and discussing shadows. Our targets are:

- I can recognise that shadows are formed when the light from a light source is blocked by a solid object.

Class 3DS had a wonderful first Forest School session. Wednesday will be our next one!

3L will be starting Forest School shortly...

MONDAY – Homework due in.

TUESDAY – PE kits (indoor and outdoor).

WEDNESDAY – New homework set.

– Class 3DS Forest School.

Last week's **Year 3 Superstar Learners** were Giselle K. in 3DS for her creativity and excellent attitude at Forest School, Olivia O'R. in 3L for always being polite and having a positive attitude to learning, Robbie A-S. in 3C for making great improvements playing his guitar, and Ethan. H in 3F for always trying his best.

A fantastic effort by all of Year 3 for having a go at the Sponsored Spell words (even if they hadn't learnt them!)

All the best to anyone who is taking part in the London Marathon this weekend - we may catch a glimpse of you on the tele!
