

### Our Core Subject Learning Focuses

#### MATHS

**LAST WEEK:** We made some excellent angle measurers and also applied our understanding of multiples of 4.

**THIS WEEK:** We will be applying our understanding of the 8 times table.

Our targets are:

- I can recall multiples of 8.

#### ENGLISH

**LAST WEEK:** We planned our own versions of 'Why is the Sky so High?'

**THIS WEEK:** We will be drafting and writing our own traditional tales, thinking about the features of our writing.

Our targets are:

- I can use speech marks correctly.
- I can edit and improve a paragraph using the correct punctuation.

#### IPC

**LAST WEEK:** We studied some 'fossils' and identified different dinosaurs.

**THIS WEEK:** We will be breaking up the history of our planet into time periods.

Our targets are:

- I understand that the past is divided into time periods.

#### SCIENCE

**LAST WEEK:** We jumped around (a lot!) to investigate whether leg length affects jumping ability.

**THIS WEEK:** We will starting our new topic: 'Rocks'.

Our targets are:

- I can compare and group rocks based on their appearance.

#### ICT

**LAST WEEK:** We experimented with iMovie by creating and recording interviews.

**THIS WEEK:** We will be continuing with iMovie.

Our targets are:

- I can demonstrate my understanding of the main features of iMovie.

Next week, we will be focussing on E-Safety awareness as a community. Training is provided for all staff, pupils and parents/carers. Please come along to the hall on Monday (see Parent Mail details).

MONDAY – E Safety for pupils, staff and parents.

– Recorders.

TUESDAY – PE kits (indoor and outdoor PE).

WEDNESDAY – New homework set.

Last week's **Year 3 Superstar Learners** were: Emily J. in 3DS for her positive attitude and new-found enthusiasm for learning, Sofia L. in 3F for her conscientious approach to learning, Grace P. in 3L for producing a beautiful charcoal drawing of winter and Angelina M. in 3C for her creative IPC front cover design.

Thank you to those who have been bringing in artefacts, models, books and other personal items for our IPC and Science displays - we know these are precious. Everyone has been enjoying them and they have enriched our learning!
