

Our Core Subject Learning Focuses

MATHS

THIS WEEK: We will be using our ruler skills to measure accurately. Our targets are:

- I can measure in cm and mm using a ruler.

ENGLISH

THIS WEEK: We have finished our entertaining story unit and will be looking at poetry.

- I can create a cut and paste poem.

IPC

THIS WEEK: We have our Exit Point for Footprints from the Past and Year 3 will be watching Jurassic Park (PG).

- I can evaluate a topic and summarise the main learning from a unit of work.

SCIENCE

THIS WEEK: We will be putting our spelling skills to the test! Our targets are:

- I can spell and define our focus words accurately.

The Big Pedal continues...

On Wednesday we will be completing our Science vocabulary spelling test. Please learn the words and their meaning. You do **not** need to complete spelling sentences.

We will be watching Jurassic Park (PG) as our Exit Point on Thursday afternoon.

School finishes at 1.30pm on Friday!

TUESDAY – PE kits.

WEDNESDAY – New homework set.
– Science spelling test.

THURSDAY – IPC Exit Point.

FRIDAY – END OF TERM! School finishes
at 1.30pm.

Last week's **Year 3 Superstar Learners** were Matthew S. in 3F for his very imaginative dinosaur model, Gabriel E.M. in 3C for his efforts in form and Maths, Emilija S. in 3L for her fantastic progress with fractions in Maths and Alexis G. in 3DS for her consistent helpfulness, hard work and positive attitude.

Another amazing dress up effort from all of our pupils in the name of charity. Thank you also for your generosity – the office sold all of their red noses!
