

### Our Core Subject Learning Focuses

#### MATHS

**THIS WEEK:** We will be revising formal methods of multiplication. Our targets are:

- I can multiply 2 and 3 digit numbers by a 1 digit number using a formal written method.

#### ENGLISH

**THIS WEEK:** We will continue to create our own portal stories during the 'invention' phase of our topic.

- I can include the features of descriptive writing in my work.

#### IPC

**THIS WEEK:** We will be comparing the damage that our society inflicts on the environment, compared with the damage caused by societies indigenous to the rainforests.

- I can compare and contrast the impact that societies have on the environment.

#### SCIENCE

**THIS WEEK:** We will be investigating the functions of the stem as part of our 'Plants' unit. Our targets are:

- I can make systematic and careful observations.

Tennis lessons continue. 3L and 3C are on Monday afternoons, and 3F and 3DS on Thursday afternoons. Pupils do not need to bring their own rackets.

We are all very excited about our upcoming 'Rainforest Day' that replaces the London Zoo trip! Letters have been sent with all the info. We would be very grateful if you could return the slip and payment as soon as is convenient..

MONDAY – Homework due in  
– 3L & 3C tennis

TUESDAY – PE kits, spelling test

WEDNESDAY – New homework set

THURSDAY – 3DS & 3F tennis

FRIDAY – Deadline for 'Rainforest Day'  
money and slips

Last week's **Year 3 Superstar Learners** were Rocky D. in 3DS for his brilliant efforts in English, Grace P. in 3L for her fantastic description of a setting, Archie W. in 3F for his perseverance in English and Maths, and Corey C. in 3C for the continued effort and enthusiasm he puts into his classwork.

Thank you so much to everyone for making 'Pickfest' such a fun and memorable afternoon! The children worked so hard on their dancing, which they performed wonderfully, and the outfits were fabulous!
