

Our Core Subject Learning Focuses

MATHS

THIS WEEK: We will be looking in more detail at shape. Our targets are:

- I can describe the properties of 2D shapes.
- I can draw, fold and cut 2D shapes.

ENGLISH

THIS WEEK: We will be continuing with our story to entertain: *Monkey See, Monkey Do*. Our targets are:

- I can identify the main events in a story and imitate them.

IPC

THIS WEEK: We are learning more about our 'Footprints from the Past' topic. Our targets are:

- I can understand and discuss a map of Pangea.

SCIENCE

THIS WEEK: We will be learning about the permeability of rocks. Our targets are:

- I can set up a simple comparative test.

3F's Forest School sessions will start this week. It will most likely be Thursday but more information will be sent soon.

Classes 3F and 3C will be visiting St. Mary's Church on Tuesday 7th March with Mrs. Harris. Please hand in your child's permission slip if you wish for them to go.

MONDAY – Homework due in

TUESDAY – PE kits, spelling test

– Church trip 3C and 3F

WEDNESDAY – New homework set

Last week's **Year 3 Superstar Learners** were Ellie M. in 3DS for her consistent enthusiasm, hard work and cheeriness, William C. in 3L for his phenomenal cold task, Cameron S. in 3L for his hard work in all subjects and lovely manners, Isabel B. in 3F for her great attitude towards all her school work and Jacob K. in 3C for his amazing World Book Day outfit!

Well done to everyone for such a wonderful effort on World Book Day! The outfits were certainly the best we've ever seen – such creativity! The children also really enjoyed sharing their creations, reading and taking part in lots of literature related activities!
