

Our Core Subject Learning Focuses

MATHS

THIS WEEK: We will be exploring angles.

Our targets are:

- I can identify right angles in 2D shapes.
- I can make and describe right-angled turns.
- I can test whether angles are greater than or less than a right angle.

ENGLISH

THIS WEEK: We will be completing the imitation phase of our 'Traditional Tales' topic.

Our targets are:

- I can rewrite an opening and an ending of a traditional tale to improve it.

IPC

THIS WEEK: We will be starting to venture into the Prehistoric!

Our targets are:

- I can identify the features of different dinosaurs.

SCIENCE

THIS WEEK: We will be continuing with our 'Animals Including Humans' learning.

Our targets are:

- I can record data and spot patterns in the results.

ICT

THIS WEEK: This term we are moving onto iMovie.

Our targets are:

- I can explain the main features of iMovie.

We are all very excited about our Natural History Museum trip! Please make sure you have paid if your child is coming.

Mrs. Beswick will be with us in 3DS until February half term, when Mr. Spencer will return.

MONDAY – Homework due in.

TUESDAY – PE kits (indoor and outdoor PE).

WEDNESDAY – New homework set.

THURSDAY – Natural History Museum!

Last week's **Year 3 Superstar Learners** were: Stanley B. in 3DS for his hard work, especially with IPC, Skye H. in 3L for an outstanding IPC front cover, Ahmed K. in 3C for his positive behaviour in class and Lola R. in 3F being so helpful and welcoming.

Well done to all of those who have brought in fantastic research and information about dinosaurs and Argentina! We have learnt many wonderful things about our focus country.
