English: Invention

- I can break down a story into key sections
- I can innovate from a set text
- I can include paragraphs and subheadings in my writing, as a way of grouping related material.

Maths: Decimal fractions

- I can compare decimals with one decimal place.
- I can round decimals with 1 decimal place to the nearest whole number.

Curriculum updates:

IPC – Do you live around here?

Science – States of Matter
PSHE/P4C – What makes a good friend?

R.E – Sikhism

P.E – Dance

French – Describing people

Computing – Scratch

Notices:

- English homework is going out this week.
- The children had a great time dancing for their NSPCC danceathon today, there will be a follow up assembly next week.
- Spellings and times tables as usual.
- We have started our Christmas play rehearsals, so your child will know the part they are playing in our performance, Lights, Camel, Action. If they have a speaking part, please practise their lines with them at home.
- Thank you to all those parents who have volunteered to help walk with us to the pantomime, your class teacher will be in touch with you about this shortly.
