

Year 4...In brief!

Celebration names...

4L – Ethan K. and Anjanna

4H – Josh O. and Olivia

4M – Ryan and Ellie

4O – Ozzie and Ronika

English: Innovation

- I can innovate from a set text
- I can include paragraphs and subheadings in my writing, as a way of grouping related material.
- I can edit work by changing the grammar to improve the way work reads

Maths: Mass

- I can record metric units for mass using decimals
- I can use multiplication to convert from larger to smaller units
- I can estimate and compare mass, and round numbers on scales
- I can calculate different measures of mass using decimals to 1 place

Curriculum updates:

IPC – Do you live around here?

Science – States of Matter

PSHE/P4C – What makes a good friend?

R.E – Sikhism

P.E – Dance

French – Describing people

Computing – Scratch

Notices:

- Maths homework is going out this week.
- Spellings and timestables as usual.
- We have started our Christmas play rehearsals, so your child will know the part they are playing in our performance, Lights, Camel, Action. If they have a speaking part, please practise their lines with them at home.
- Thank you to all those parents who have volunteered to help walk with us to the pantomime, your class teacher should have contacted you about timings.
