

Our Core Subject Learning Focuses

MATHS

THIS WEEK: We are learning about acute, right and obtuse angles. We will be identifying them, ordering them and drawing them as part of our learning this week. As the week progresses, we will look at angles as part of shapes and learn the features of regular and irregular polygons.

Our targets for this week are:

- I can identify acute, right and obtuse angles.
- I can order different angles from smallest to largest.
- I can identify angles in polygons.
- I know the features of regular and irregular polygons.

ENGLISH

THIS WEEK: We will be planning and writing a 'free write.' This gives the children an opportunity to write about something they are passionate about and put into practise the skills they have learnt as writers over the course of the year so far.

Reading

THIS WEEK: We will be developing our comprehension skills – particularly when writing our answers after finding them in the text.

IPC

THIS WEEK: This week we are creating a fact file on Henry VIII and putting it together in a PowerPoint presentation.

SCIENCE

THIS WEEK: We are consolidating our learning from the last few weeks and finding out about the water cycle. This will include our prior learning about evaporation as well as including new learning about condensation.

ICT

THIS WEEK: We will be using the skills of coding we have acquired over the last few weeks to create our own maze games, similar to Pacman! Again, we will look at an existing code to replicate a game, before editing it or creating our own from scratch!

BBC Radio 2 500 Words Challenge

BBC Radio 2 are hosting a 500 word challenge and several children have shown an interest in participating! Google 'BBC 500 words' for more information. Good luck!

Uniforms

A reminder that boots/trainers and hoodys may be worn when travelling to and from school but school shoes and correct uniform must be worn during the school day.

Swapping/Trading

There is an increasing number of children swapping belongings. Please be aware that the school does not allow this to happen as it can and has led to upset.

FRIDAY – Homework set
 MONDAY – Spelling sentences, homework diaries and Reading Records due.
 TUESDAY – New spellings set.
 WEDNESDAY – Homework due

Parents Evening

Monday 20th February until 5:30pm
Tuesday 21st February until 7:00pm
Thursday 23rd February until 5:30pm
Sign up online from next week – letter to follow.

Year 4 Stars of the Week!

This week's start of the week are **Orlanne K** and **Pavlo K** for their superb learning attitudes. Both of them are polite and considerate of others as well as working extremely hard in every lesson. Congratulations!
