Curriculum updates:

IPC – Mission to Mars

Science – Earth and Space

PSHE/P4C – What is fair?

R.E – Diwali festival of light

P.E – Circuits

French – Classroom language

Computing - Blogging

• On Monday 31st October, the children had quite a spooky shock when the Year 5 teachers took each of their English sets into the forest to take part in some bed sheet painting! Little did they know, that the teachers had secretly asked certain children to destroy the painting half way through! The aim of this was so that the children experienced the emotions associated with this kind of destruction. We wanted them to write a recount of their experience as this linked to their 'Talk for Writing' unit on recounts. The children produced some fantastic pieces of writing and also some brilliant pieces of art work (before they got ruined!). Have a look at some of the photos ☺
