

# Year 5...In brief!

## Golden names...

5B – Harvey and Millie

5S – Finlay and Caitlin

5HR – Oliver and Katie

5BA – Lucas and Hannah

5E – Ben R and Rohan

### English: Innovation Part 2

- To use skills of inference to make description more effective.
- To effectively use the 'toolkit' tools when describing people/place/setting.
- To continue to innovate my own ideas when describing, using the pattern of the model text.

### Maths: Mental Multiplication

- To multiply whole numbers by 10, 100 and 1000.
- To multiply numbers mentally drawing on known facts
- To appropriately select the most efficient mental method to multiply when problem solving.

### Curriculum updates:

IPC – Mission to Mars

Science – Earth and Space

PSHE/P4C – Setting goals

R.E - Jewish harvest festival

P.E – Gymnastics

French – Classroom language

Computing - Blogging

- Our Harvest festival on Thursday was a brilliant success! Thank you to everyone for your generous donations. The food will be collected and shared amongst two food banks;
- Well Done to our charity reps this week: **Lexi, Anastacia, Ben, Bella and Yasharah**. They prepared and delivered a presentation on which charity they thought Year 5 should choose to fundraise for. It takes a lot of courage to stand up and present in front of your peers and they all did themselves proud. The charity that received the most votes was Cancer Research UK. The next thing we need to think about is what fundraising events we are going to take part in! Watch this space!
- Please remember that Friday 14<sup>th</sup> October is an INSET day.
