

### Our Core Subject Learning Focuses

#### MATHS

**LAST WEEK:** N/A

**THIS WEEK:** Children will be learning about place value. Our targets are:

- I can recognise the place value of each digit.
- I can partition numbers.
- I can build numbers using: hundreds, tens and ones.

#### ENGLISH

**LAST WEEK:** N/A

**THIS WEEK:** We will be introducing the story *Midas*. Our targets are:

- I can recall the story of King Midas and recognise the features of a warning story.

#### IPC

**LAST WEEK:** The children created a beautiful front cover for their new IPC topic *Treasure*.

**THIS WEEK:** This half term, we will be studying *Treasure*. Children will be bringing in their own piece of treasure on Monday and we will be turning Year 3 into a museum for the afternoon in order to view all of the wonderful items!

#### SCIENCE

**LAST WEEK:** The children were introduced to their new topic *Forces and Magnets*.

**THIS WEEK:** Children will be comparing how things move on different surfaces.

Next Friday children are being asked to come into school wearing any denim they own with a small donation of a pound in order to raise money for Jeans for Genes.

MONDAY – IPC Entry point - Treasure  
TUESDAY – PE kits  
WEDNESDAY – Homework due  
FRIDAY – New Homework  
Jeans for Genes day.

Last week's **Year 3 Superstar Learners** were 3C- William B. for a wonderful IPC front cover. 3S – Luza D. for a great attitude all week and helping a student to settle in. 3DC- Anisee W for presenting an outstanding speech to her class. 3MR – Laila P. for perseverance, persisting and participating. 3D – Joshua H. for having a brilliant first week, always using kind words and making great choices.
