

Sports Grant Expenditure

Academic Year September 2016 – August 2017

The Government's Sports Grant is designed to raise the profile of sports and healthy lifestyles for pupils creating a legacy in schools. Ofsted will be assessing and reporting on how effectively this funding is being used to improve PE and sport provision when making a judgement on the quality of the school's Leadership and Management. Schools are free to determine how best to use this funding to improve the quality and breadth of PE and sport so that all pupils develop healthy lifestyles and reach the performance levels of which they are capable.
