

Year 4 trip to PGL!

Y4 trip to PGL

From May 7-10, Year 4 spent a fantastic week at PGL's Marchant's Hill activity centre in Hindhead, Surrey. The children took part in a wide range of outward bound activities, from abseiling and zip wiring, to problem solving and survival skills.

Despite rather wet weather at the start of the week, the weather perked up and the children had a fantastic time.

We were lucky enough to have a wonderful group of parent helpers, who not only supported the teaching team in looking after the children during the day and night, but who also took part in the activities.

The children were a real credit to the school, demonstrating so many of our values such as resilience, friendship, courtesy and co-operation. The PGL staff were impressed by how many children were willing to 'have a go' at so many of the activities, despite sometimes being daunted by the challenges. We are incredibly proud of the children, and I'm sure the parents and carers of Year 4 children have heard some fabulous stories of a fantastic week away.
