

Year 3...In brief!

Homework
celebration names!

3S - **Dexter M.** - for his creativity and hard work.
3F - **Safiya H.** - for her fantastic research on an
Ampelosaurus for her dinosaur information guide.
3B - **Mia B.** - for a fantastic Kennings poem.
3DP - **Lewis H.** - for his interesting and well-written
interview with his real life hero.

English: The BFG

- To understand the key events in the story of the BFG by Roald Dahl.
- To understand what makes an effective story opener.
- To plan my own opening to a narrative.
- To create effective descriptions for characters and for an ominous setting.

Maths: Fractions

- To be able to find and calculate fractions of amounts.
- To be able to recognise fractions as numbers and equivalent fractions.

Curriculum updates:

- IPC - To understand about the geographical formation of Earth and the continents (continental drift).
- Science - To investigate shadows.
- R.E. - Christianity - the job of a vicar.
- P.E. - Gymnastics.
- French - Colours.
- Computing - iMovie instructional video design.

Notices:

- Please ensure that your child is reading every day.
- Encourage your child to log on to Google Classroom and practise using the website and uploading (Turn in) their work.
- Children's homework will be shown in class and outstanding pieces of homework will be celebrated in our Celebration assembly, on the school website and displayed around the school.
- This weekend is the Cross Country event at Crystal Palace for those taking part.
- Mini reports, which would have been shared at Parents' Evenings, will be sent home soon.
