

Pickhurst Junior Academy - School Council Meeting

**Date:** 02.10.2023

**Attending:** Leila, Charlie, Olivia, Pierre, Keziah, Ollie, Zach, Rohan.

**What we discussed:**

- ☐ Children returned their 'Pickhurst School Council' letter head ideas.
- ☐ I spoke to the children to let them know that the spring school trips for The Houses of Parliament opens tomorrow.
- ☐ I am going to be released to try to book a slot for the school council members.
- ☐ If this does not work then we will continue with the plan to write a letter to the MP (using our letter head paper)
- ☐ Next week in school, council assembly children will need to collect ideas from their class as to what they would like to fundraise or implement this year.
- ☐ We will then decide on two or three that we will like to work towards throughout the school year.
- ☐ Some ideas that the school council members thought of themselves were:
- ☐ Table monitors to help with the tables being untidy at lunchtimes.
- ☐ A clear timetable for the games available and to which year groups at lunchtimes.
