This week's learning at School and Home

Monday 26th January – Friday 30th January 2026

This week in English, the children on Enrich have enjoyed a bus ride similar to CJ's in our story—thinking about what we can see, smell, hear and feel while travelling and for Evolve and Explore looking at direct speech—writing conversations between characters.

We enjoyed our DT lesson—tasting biscuits to make predictions about recipes—no one complained about carrying out the testing!
