Spellings

Children are expected to practise their weekly spellings at home alongside the daily spelling practice they receive in school. Each half-term, children will be tested on two sets of 15 words: words from Weeks 1–3 will be tested in Week 3, followed by words from Weeks 4–6, which will be tested in Week 6. These are low-stakes spelling checks designed to provide opportunities for practice and build confidence, rather than formal assessments.

For children with SEND, or those who find the year-group spelling words particularly challenging, we encourage continued practice of high-frequency words, which can be found below. Learning these words will help to support their confidence and independence in everyday writing.
